

Bella audition piece

BELLA: Joe!

JOE: Bella? Where's Marion?

BELLA: You need to come with me.

JOE: What's happened? Is she alright?

BELLA: She's beside herself, hiding by the bins and refusing to come out. I told her to just forget it and come out for a laugh but you know how she is.

JOE: Who is it this time? Reggie? Arthur? It's not Peter, is it? I told her to stay away from him.

BELLA: Don't scoff. She's really hurt by it.

JOE: But it's every week, Bells.
Here, have you seen this?

HE POINTS TO THE POSTER

BELLA: The music hall?

JOE: Nellie Dean. I used to know her.

BELLA: That's nice, Joe, but what about Marion? She's waiting for us...

JOE: I'd give anything to see her again.

BELLA: She probably doesn't even remember you. You'd be better off sticking to girls a bit closer to home... Joe? Joe?
