

Kitty audition piece

Part 1

KITTY: Jealous, Bella?

BELLA: Oh, shut up!

JOE: (to Marion) What's all this about? Are you in a play?

MARION: Don't you start and all.

JOE: Is that mum's wedding dress?

KITTY: It's not like she had anything else to wear.

JOE: To do what? Flag down a groom? You know, most men run a mile when they see a wedding dress.

MARION BURSTS INTO TEARS.

BELLA: He didn't even get to see it.

KITTY: Now look what you've done! I've only just got her to stop.

Part 2

KITTY: Have you told him how you feel?

BELLA: No, but I think I've made it obvious.

KITTY: He's a man. Nothing is ever obvious.

MARION: I'm just sick of this. (She shakes the garland.) Always making preparations for someone else's wedding and never my own.

KITTY: One day it'll be your turn.

MARION: It doesn't feel like it.
